

NO·RAW

Inspired by open dance formats and club culture

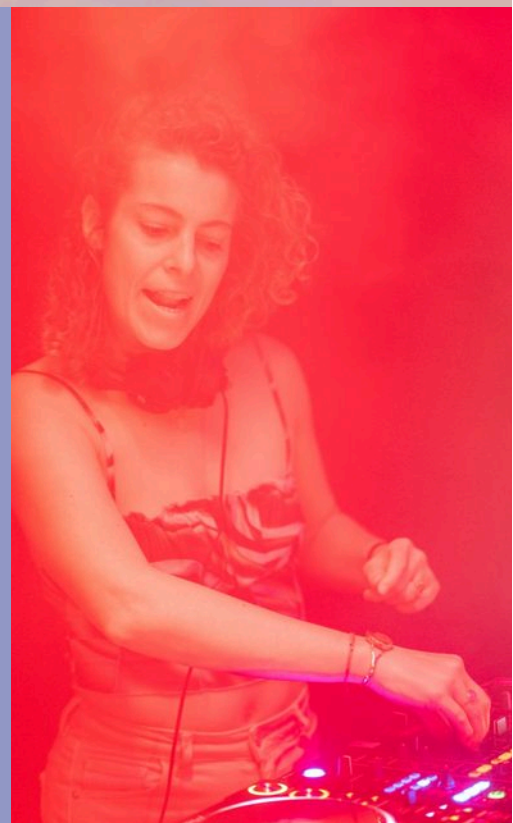

DE

Multi-genre Sound Journeys, die zu Ausdruck, Verbindung und Flow einladen.

no.raw ist DJ, lebt in Zürich und kreiert Sound Journeys, die Geschichten erzählen und Menschen durch Musik miteinander verbinden. Sie versteht es, Menschen genau dort abzuholen, wo sie stehen – und sie von dort aus in Bewegung zu bringen. Mal treibend und groovy, mal atmosphärisch, verspielt oder tranceartig.

Sie schafft Räume, in denen Gegensätze nebeneinander existieren dürfen. Ihre Sets bewegen sich frei zwischen verschiedenen musikalischen Einflüssen: Es geht weniger um feste Schubladen als um das Erleben – um ein fortlaufendes Entfalten von Rhythmus, Spannung und Auflösung. Dabei erzählt ihre Musik dieselbe Wahrheit wie die Tanzfläche selbst: Kein Moment und kein Mensch gleicht dem anderen.

Für no.raw ist Musik Ausdruck und Bewegung zugleich – roh, lebendig und verbindend. Ihr Interesse gilt Formaten, die Community und gemeinsames Erleben in den Mittelpunkt stellen. Sie ist Mitgründerin und Resident von XD Neustadt, einer inklusiven sober Rave-Reihe. Diese Haltung prägt ihren Ansatz bis heute: ko-kreativ, intuitiv und verkörpert.

EN

Creating multi-genre sound journeys that invite expression, connection and flow.

no.raw is a Zurich-based DJ who creates sound journeys that tell stories and connect people through music. She knows how to meet people exactly where they are – and gently pull them into motion. Sometimes driving and groovy, sometimes atmospheric, playful or trance-like.

She creates spaces where contrasts are allowed to coexist. Her sets move freely between different musical influences: it's less about fitting into a fixed genre and more about the experience itself – a continuous unfolding of rhythm, tension and release. Her music reflects the same truth as the dancefloor itself: no two moments and no two people are ever the same.

For no.raw, music is expression and movement at once – raw, alive and connecting. She is drawn to formats that place community and shared experience at their core and is co-founder and resident of XD Neustadt, an inclusive sober rave series. That spirit continues to shape her work today: co-creative, intuitive and deeply embodied.
